Findings of DVV	Input edited as per IIQA. Provide certified document duly certified by competent authorities.
Response of HEI	While uploading details of “Number of students on roll by Gender” in IIQA, total number of UG, PG and Ph.D. students for the academic year 2021-22 was considered. For 1.1 of Extended profile, total number of only UG and PG students for the assessment years is considered. So to maintain uniformity of data entered, HEI wishes to retain 3505 number (both UG and PG) for 2021-22. As per DVV requirement, weblink of certified document (having digital signature of the Principal) of list of students in latest completed academic year (2021-22) excluding 47 Ph.D students is attached as Supporting document .
